Non-Member Registration Requirements

If you are not a BCA member, and would like to register for the BCA Expo, please read the following carefully.

These guidelines apply to registration before the Expo and at the Sands Expo Center.

You will be required to provide two (2) forms of proof of industry affiliation, in English, when you submit your registration. ***If these requirements are not met, your registration will be declined.*** Acceptable forms of industry affiliation proof are:

1. a copy of your business license
2. a copy of a company advertisement
3. a copy of a paycheck stub with your name and the company name
4. a company check
5. a company credit card

Please also provide a business card that includes the registrant's name and company phone number. These items must accompany the registration form, for each person that you register.

We apologize for any inconvenience that this may cause, however it is critical that all BCA Expo attendees are qualified. Our goal is to validate your company within the Billiard and/or Home Recreation industries, and then to legitimately connect you to the company. We will make every effort to work with you, and request that you come prepared.
